

A large industrial facility, possibly a refinery or chemical plant, is shown at sunset. Several tall smokestacks are visible, with thick plumes of smoke rising into the sky. The sky is a mix of orange, yellow, and dark blue. In the foreground, there are silhouettes of trees and some lower-level industrial structures. The overall scene is industrial and atmospheric.

# WELCOME TO ZEXA INTERNATIONAL LLP

A small, white, four-pointed star icon with a slight glow, positioned to the left of the text block.

At our company, we take great pride in our manufacturing processes, which are underpinned by stringent quality control measures and the use of state of the art technology. Our team of experienced professionals ensures that every product is selectively mined and scientifically blended to meet the highest industry standards.

# Your Trusted Path to Quality and Excellence.

## Our Vision

Pioneering the Global Landscape of Activated Bleaching Earth and Fuller's Earth

## Our Mission

Revolutionizing Bleaching Earth with technology and service

# Our Products

"Bleaching earth, also known as activated bleaching earth, is a versatile clay with excellent adsorption properties used across industries. It finds applications in decolorization of oils, removal of gums, purification of aromatic compounds, controlling oil parameters, and more. Its diverse uses make it an invaluable resource in various industrial processes."

## ACTIVATED BLEACHING EARTH

We manufacture different grades of Bleaching Earth also known as Fullers Earth which is used in

- Bleaching,
- Purifying,
- Decolorizing vegetable oil, non-edible oils,
- Refining of waste lubricants and oils.
- The product is also used in pre and post treatment of Vanaspati,
- Margarine,
- Treatment in waxes,
- Soaps,
- Petroleum solvents, etc

### ACTIVATED GRANULAR CLAY

Our company stands out as one of the select few manufacturers in India that produce granular clay for the purification of OLP and Aviation Turbine fuels.

### MULTANI MITTI

We produce the highest quality Multani Mitti, a natural clay renowned for its exceptional purity and efficacy. Mined and processed with precision, our Multani Mitti finds extensive application in the beauty industry. Known for its absorbent and cleansing properties, our product is a key ingredient in beauty formulations such as face masks, cleansers, soaps, scrubs and hair care products.

## Our Products

### GRANULAR CLAY

Our company is a leading manufacturer of high-quality Granular clay products in India. Our Granular clays, also known as Percolate Clay, play a vital role in the manufacture and purification of various mineral oils, including transformer oil, LPP(Light Liquid Paraffin), HLP(Heavy Liquid Paraffin), white oil, Benzene, Toluene, refining of used transformer oil and also used in Aviation Turbine Fuel (ATF) etc.

# Why Us?

At ZEXA INTERNATIONAL, we prioritize manufacturing excellence. With stringent quality control measures and the use of state-of-the-art technology, we ensure that every product is selectively mined, scientifically blended, and tested in our advanced laboratory. Our experienced professionals oversee each step, guaranteeing products that meet the highest industry standards. We take immense pride in our commitment to quality, selective sourcing, advanced technology, and comprehensive testing, setting the standard for excellence in the industry.

"BUILDING  
RELATIONSHIPS  
THROUGH HIGH YIELD,  
HIGH EFFICIENCY  
PRODUCTS"

At ZEXA INTERNATIONAL, we go beyond delivering high-quality products. Our focus is on providing:

**Quality service:** Our knowledgeable team offers top-notch customer service, providing personalized solutions and prompt assistance.

**On-time delivery:** With efficient production and streamlined logistics, we ensure your orders arrive on schedule, keeping your projects on track.

**Strong supply chain management:** Our robust systems optimize efficiency, maintaining quality control and minimizing disruptions.

**Complete client satisfaction:** We listen, understand, and work closely with you to meet your needs, continuously improving to exceed expectations.

**Building relationships:** We foster partnerships based on trust, open communication, and mutual respect.

# Contact Us

We understand the importance of timely and effective communication, and we are committed to providing exceptional customer service to all of our clients. Our team of experts is always available to help you with any questions or concerns that you may have, and we will work closely with you to ensure that you receive the support that you need.

We value your interest in our products and would love to hear from you. If you have any questions, inquiries or feedback, please don't hesitate to contact us.
